

2019 SUMMER READING GOAL

“I will read for a minimum of 500 minutes throughout the summer months.”

HERE'S HOW IT WORKS:

Throughout the summer, students will complete a reading log, record the days, minutes and the titles of the books read.

- Students may complete the reading log by downloading it [HERE](#) or pick it up at your school office.
- Within the first week back to school in September, students will return their completed reading logs.
- Students will be recognized by their School Principal and Classroom teacher.

MORE REASONS TO READ:

The Peabody Public Libraries have planned many exciting events and will display new and classic titles highlighting science, science fiction and STEM titles. Students may log their reading minutes online at <https://wandooreader.com/peabodylibrary/reading-is-for-everyone> and may print their reading log to bring it when school resumes in September.

- [Search the Peabody Institute Library card catalog at http://www.peabodylibrary.org](http://www.peabodylibrary.org)
- You can prevent 2 months of summer reading loss by reading consistently throughout the summer.
- Research states children who read for 20 minutes a day at home perform better in school.

Kindergarten, Grades 1

Read any of these SELECTED AUTHORS
