## Convenience. Savings. Smart.

### Getting 90-Day Supplies of Certain Maintenance Medications Saves You Time and Money.

With Smart90, you can get 90-day supplies of certain maintenance medications from a CVS Pharmacy<sup>™</sup> location or by mail order when you order them through Express Scripts<sup>®</sup>, an independent company that administers your pharmacy benefits on behalf of Blue Cross Blue Shield of Massachusetts. Maintenance medications, also known as long-term medications, are prescribed to treat chronic or ongoing conditions, such as high blood pressure or diabetes. To view a list of medications that are eligible for the Smart90 program, please visit [myblue.bluecrossma.com/90daymeds](http://myblue.bluecrossma.com/90daymeds).

### Advantages of Using Smart90

Smart90 saves you time and money. You'll pay less for a 90-day supply than you would for three 30-day supplies of your maintenance medications. You'll also be less likely to miss a dose since you won't have to refill as often.

You have the choice to pick up your 90-day supply at any of the 9,800 CVS Pharmacy retail locations nationwide, or have it delivered to you when ordered through Express Scripts. Either way, you pay the same amount.
