YOUR CARE

Access

This plan gives you the option to go directly to a specialist or any doctor in the HMO Blue New England network without a referral. Just show your Blue Cross Blue Shield of Massachusetts ID card and receive care. However, some services do require authorization. See your benefit description for details.

Primary Care Provider (PCP)

When you enroll in this health plan, you must choose a primary care provider. Be sure to select a doctor who is accepting you and your family members as new patients and participates in our network of providers in New England. For children, you may designate a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYN physicians, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org; consult Find a Doctor at bluecrossma.com/findadoctor; or call the Member Service number on your ID card.

If you have trouble choosing a doctor, Member Service can help. They can give you the doctor's gender, the medical school the doctor attended, and whether there are languages other than English spoken in the office.

Your provider may also work with Blue Cross Blue Shield of Massachusetts regarding Utilization Review Requirements, including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your benefit description.

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductible is **\$2,000** per individual membership (or **\$4,000** per family membership). **The entire family deductible must be satisfied before benefits are provided for any one member enrolled under a family membership.**

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, prescription drug copayments, and coinsurance for covered services. Your out-of-pocket maximum is **\$3,000** per member (or **\$6,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). After meeting your deductible, you pay nothing for emergency room services.

Telehealth Services

Telehealth services are covered when the same in-person service would be covered by the health plan and the use of telehealth is appropriate. Your health care provider will work with you to determine if a telehealth visit is medically appropriate for your health care needs or if an in-person visit is required. For a list of telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org, consult Find a Doctor, or call the Member Service number on your ID card.

Service Area

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

When Outside the Service Area

If you're traveling outside the service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. See your benefit description for more information.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.
