

Peabody Special Education Parent Advisory Council (Peabody SEPAC)

Welcome!

Peabody SEPAC is a volunteer group of parents, guardians, and caregivers who are here to support you in navigating the resources and services available to your child. We also advise the district on matters pertaining to the education and safety of students with disabilities.

Why Join?

SEPAC members gain insight, knowledge, and strength from one another. SEPAC members have found that when they work together they often find solutions to common problems

Curious about?

- your child's academic or social progress?
- whether your child might qualify for special education services?
- how to start the evaluation process?
- supports for students who do not qualify for an IEP?
- the difference between a 504 plan and an IEP?
- being an effective member of your child's IEP team?
- the transition to adulthood?

If you have asked yourself questions like this, SEPAC can help you learn more, direct you to resources, and provide support.
