Education Course Reimbursement Information

Fiscal Year 2024 & 2025 Unit A Tuition Reimbursement Pre-Approval and Application Directions: Under the auspices of Article II, Section N of the Unit A contract, Unit A members qualify for tuition reimbursement. Use this form for reimbursement of both graduate and undergraduate tuition. Unit A members must meet the requirement to be reimbursed. Unit A contract identifies a pool of \$50,000 for total reimbursement per fiscal year, with one reimbursement in the summer. The typical reimbursement is for one course per fiscal year unless a balance remains in the tuition reimbursement account. You must work within the fiscal year (July 1 - June 30) in order to qualify for reimbursement. Incomplete applications will not be processed after June 1st of the fiscal year. Fill out the application completely; incomplete and illegible applications will be returned. Any screenshot attachments must be a clear image and all documents must include your name. If the number of reimbursement requests exceeds the pool of money available, an equitable percentage reimbursement will be provided. Pre-approval is required, you must follow the below Educational Course Reimbursement Process Required Steps. It is critically important for the employee to ensure that the proposed graduate courses are completed at accredited institutions and graduate credit is being earned. It is strongly recommended that the employee investigate and confirm the institution is accredited by one of the nationally recognized accrediting agencies listed on the U.S. Department of Education's website. Furthermore, the employee must contact the institution awarding the graduate credit to ensure that graduate credit is offered and not professional development units. Online Graduate Courses will only be reimbursed when they meet the following criteria: 1. The online course has a specific start and end date with a minimum of 15-hours of work for 1 graduate credit 2. The online course is not designed as a self-paced "module" course with no specified beginning and ending date 3. The online course requires regular weekly interaction with the professor i.e., discussion boards that require the class members to log in and participate in discussions 4. The online course has regular weekly interactions with other students i.e., discussion boards that require the class members to log in and participate in discussions 5. The online assignments are regular, posted, and graded by the professor 6. The online course has graded mid-term and/or final examination or project 7. The online credit is offered through a regionally-accredited colleges and universities 8. The online course offers graduate credit. Quarters and points are examples of measurements that are not acceptable as graduate credit
