

## Summer Reading 2024

The Peabody PK-12 Summer Reading Program supports the educational growth and development of students as lifelong learners. Did you know that students can lose up to 2 months of reading skills over the summer? Summer reading helps to maintain the child's reading ability, thus ensuring a smoother transition from grade to grade. In addition, summer reading encourages an appreciation of literature and enhances learning by offering a variety of themes.

Please visit the link(s) below for more information about summer reading at PPS.
