Hello Center School Families,

Yesterday marked the first day of school for our preschool and kindergarten students. We are so excited to see our renovated building filled with students once again. Over the next few weeks, classroom teachers will focus on building strong classroom communities, establishing daily routines, and teaching/reviewing our Center School STAR Expectations.

Each month, we will share the Star Chronicle with all Center School families. This newsletter will include important dates, friendly reminders, and helpful links to keep you connected and informed.

We are looking forward to a wonderful school year together!

Warmly,

Ms. Almeida and Mrs. Charest
